

MPSC/SQLSoft+ Room Rental Pricing One place for all your event needs.

Our SQLSoft+ team works with the Microsoft Partner Solution Center team to schedule, maintain, and manage events for the 3 advanced technology event/training rooms here at the MPSC. These high tech training and event rooms can be configured in a variety of ways to meet the needs of customers, partners, and internal Microsoft teams.

The largest room can seat 42 students; the other 2 rooms each seat 30 students. These rooms are also equipped with high resolution projectors, drop down screens, plenty of white board space and are the only training rooms on campus with external internet capabilities. With this flexibility, SQLSoft+ can run several programs in parallel to meet different customer and partner needs, or it can combine rooms to create different working environments. You can find this information on the SQLSoft+/MPSC website.

CONFIRMING YOUR ROOM RESERVATION

Room Reservations are not confirmed until a valid method of Payment has been received. These rooms book quickly so we emphasize a timely processing of purchase orders and other payment mechanisms to ensure your reservation does not get bumped for a client prepared to confirm their reservation.

- For Tier 1 Room Rentals. Microsoft policy states that a Purchase Order for all purchases of goods and services over \$1,000 must be issued and approved in accordance with their signature guidelines prior to any work being performed by the vendor. Please ensure that a Purchase Order is provided to SQLSoft+ by the appropriate Microsoft sponsor as soon as possible.
- For Tier 2 Room Rentals. Your SQLSoft+ Account Manager, Bennett McPeck, will advise of your account status and required method of payment.

MPSC STANDARD ROOM CONFIGURATIONS

ADDITIONAL ROOM CONFIGURATIONS

- Pods (no computers)
- U-Shape (no computers)

LEVEL 1 AV Support: We will assist in setting up the speaker's laptop and microphones if requested. Customers are strongly urged to learn and test the AV system prior to the event. SQLSoft+ can walk you through the system; however it is the partner's responsibility to learn to use the system properly.

BADGES AND ESCORT: The MPSC is a secure facility and production environment so security badges and escorts are required. We can facilitate temporary visitor card/badges for events lasting 2 or more days. These badges will allow the attendee's access to Bldg 25, the classroom and the cafeteria from 7am- 7pm.

- Customer will need to provide a list of attendees to SQLSoft+ no later than 1 week prior to the event. Additional attendees can be added as needed.
- It is the event owner's responsibility to ensure all badges are accounted for before the attendees leave on the final day. Service fees apply for unreturned badges at the rate of \$100.00 per badge.
- In the event that a list of attendees is not received, the partner will be responsible for supplying temporary visitor badges through the Microsoft receptionist.
- Events lasting less than 3 days will utilize the standard paper visitor badges that can be obtained through the Microsoft receptionist.
